735750: Cat Fines Reagent Pack

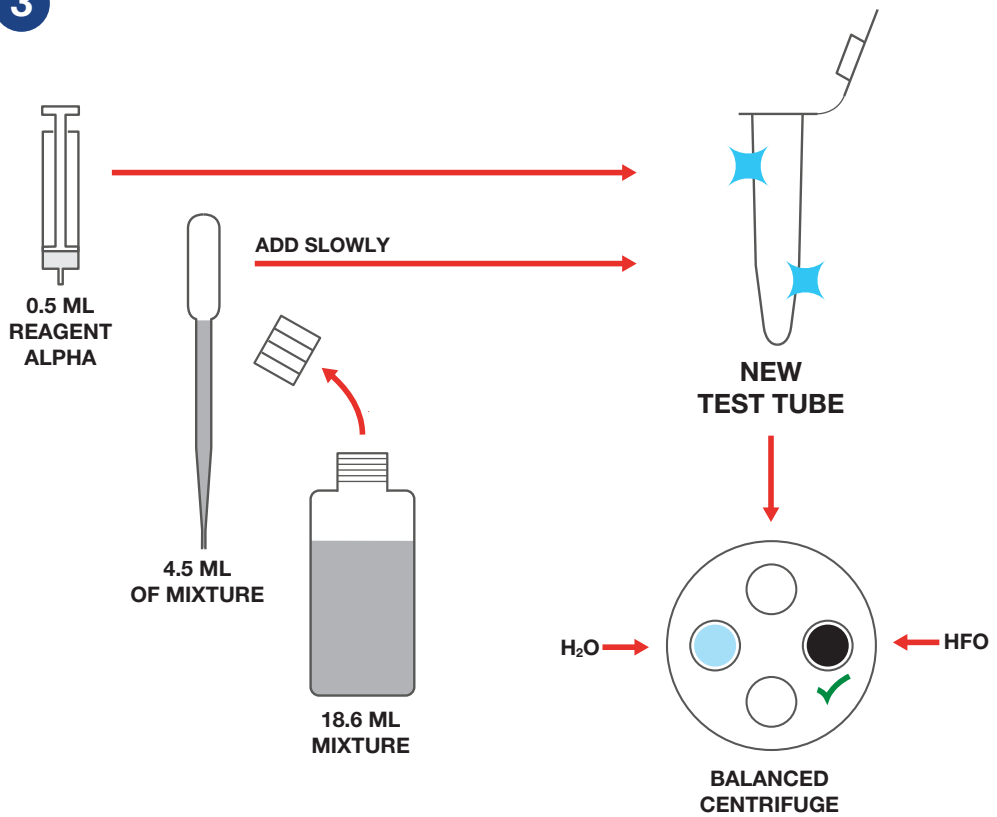

## Notes

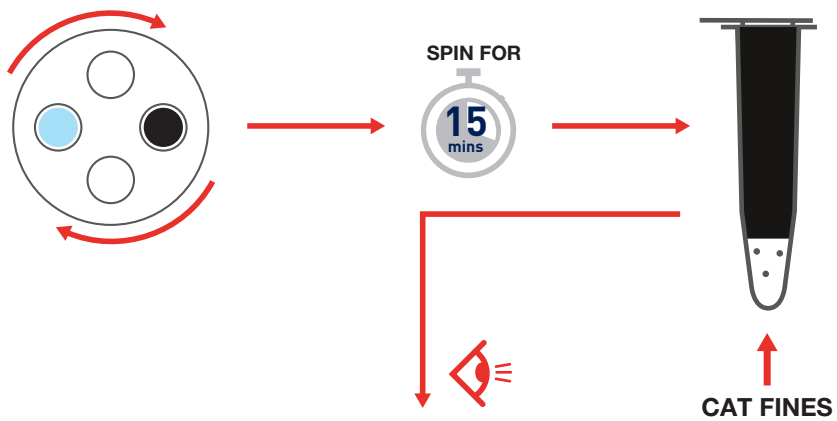

**NOTE:** Read all instructions before beginning test.  
**CHECK:** Centrifuge power switch is 'ON' - switch on rear.  
**CHECK:** The speed set to 'F' (Fast) - switch on underside.  
**SAFETY:** Test tubes must be in opposite positions in the centrifuge.  
**SAFETY:** Immediately stop use of the centrifuge if it suffers damage or impact.
